How to Get to Our New Office

Fishers MedTech Park at Exit 210

Driving North or South on I-69

Take Exit 210, and follow it driving southeast (Southeastern Parkway). At the next roundabout by St. Vincent Hospital, wind around to the right and keep heading southeast on Southeastern Parkway. At the next roundabout, wind around, and drive north on Jack Walker Lane to our building on 138th Street.

Driving North or South on Olio Road

Take the Olio Road to roundabout just north of 136th Street, and wind east. Follow that road (Southeastern Parkway) to the next roundabout, wind around, and drive north on Jack Walker Lane to our building on 138th Street.

Driving East on 146th Street

Note that 146th Street turns into Southeastern Parkway east of I-69. Stay on the "Double Diamond" roundabout interchange to Southeastern Parkway. At the next roundabout by St. Vincent Hospital, wind around to the right and keep heading southeast on Southeastern Parkway. At the next roundabout, wind around, and drive north on Jack Walker Lane to our building on 138th Street. (Note that on parts of the "Double Diamond", you are actually driving on the opposite side of the road – which can be confusing.)

If you are not able to find our office please call us at 317.813.1660.
